

Weddings & Receptions

The Facility

The Tempietto is an ideal backdrop for the exchanging of vows. Nestled into a garden setting, the bridal party will enter on a stone walkway and gather at a vine-covered gazebo for the ceremony. The terrace adjacent to the gazebo will seat up to 250 guests for a ceremony. If your plans for the Tempietto would include a ceremony and reception, the maximum accommodation would be 175 guests. A reception booking only could include up to 400 guests with room for a dance floor, food buffets and guest seating. All types of live music are welcome. The garden area is discreetly wired for electricity so that your musicians can be accommodated in several locations. The house music system can be used for your reception. If you wish, you can provide CDs to play on the house music system that is wired both indoors and in the garden.

Terrace & Patio Tents

Our back Terrace is 2,500 square feet and is covered by a custom designed tent. The tent includes lighting, sidewalls, heaters or fans depending on the season. Both front and rear entrances to the indoor Tempietto building have covered patios that can also be enclosed and heated. The two patios total over 1,000 square feet. All of these amenities are included in your rental of the facility.

Flowers and Decorations

Twigs Tempietto supplies complimentary bud vases or candles with greenery for all of your guest tables. Two lovely topiaries are placed in the gazebo. For Wedding Receptions being held at Twigs Tempietto, a floral centerpiece is included in your menu package. As part of the event planning process, you will meet with the Twigs Design Staff to determine any additional floral and decorative needs. Suggestions will include table decorations for the guest tables, buffet centerpieces, door baskets, gazebo dressing, garden candles, wedding cakes and arrangements for sideboards and secondary tables. If your wedding ceremony is taking place on the Tempietto grounds, Twigs will also design the wedding bouquets, corsages and boutonnières.

All Floral and Decorative Items for use at Twigs Tempietto must be booked through Twigs. There is no minimum purchase required. Floral plans are based on individual preference and budgetary needs.
